PREFACE

The *NSSAR Handbook* contains the governing documents and official policies, procedures and protocol of the National Society of the Sons of the American Revolution. It provides official guidance to all Compatriots at the National, State Society and Chapter levels on the operations, programs and activities of the Sons of the American Revolution. Compatriots should regularly review the *NSSAR Handbook*.

The development and publication of the *NSSAR Handbook* is the responsibility of the Handbook Committee, whose members are appointed by the President General pursuant to Bylaw No. 19, Section 1(e). The Handbook Committee is currently composed of the following individuals.

DAVIS LEE WRIGHT, ESQ., *Chair* Delaware Society..... *Term Expires 2020*
WILLIAM A. GREENLY, *Vice Chair* Georgia Society..... *Term Expires 2021*
CRAIG M. LAWSON..... Washington Society..... *Term Expires 2022*

The table of contents for each volume of the *Handbook* details the contents of that volume. The *Handbook* consists of eight volumes, titled as follows: VOLUME I: *Governing Documents*; VOLUME II: *Organization*; VOLUME III: *Membership, Compliance & Other Policies*; VOLUME IV: *Insignia, Protocol, Ceremonies & Rituals*; VOLUME V: *Individual Medals & Awards*; VOLUME VI: *Youth Programs, State Society & Chapter Awards*; VOLUME VII: *Summary History of the SAR*; and VOLUME VIII: *Historical Roster of SAR General Officers*.

The *NSSAR Handbook*'s content is established by the: (1) Annual Congress, (2) Board of Trustees, (3) Executive Committee, (4) National Headquarters staff and (5) Standing, Special Advisory and Program Committees. Revisions to the *NSSAR Handbook* may be made as follows:

- The *NSSAR Charter* may be modified only by the United States Congress;
- The *NSSAR Constitution & Bylaws* may be modified only as provided in those documents;
- An Annual Congress, the Board of Trustees, or the Executive Committee may implement, amend or abolish a policy by voting on such changes and submitting the policy to the Handbook Committee for inclusion in the next edition of the *NSSAR Handbook*.
- Program Committees retain responsibility for developing, implementing, amending or abolishing policies within their purview. Any such updates should be provided to the Handbook Committee for inclusion in the next edition of the *NSSAR Handbook*. These changes must be approved by the Executive Committee prior to publication.
- Changes to existing SAR medals or awards are generally processed and approved by the responsible Program Committee; *provided* that major changes to design or criteria must be approved by the Medals & Awards Committee.
- New National Society or State Society medals or awards must be processed according to the Medals & Awards Committee's procedures.

Questions on *Handbook* interpretation or application should be directed to the Handbook Committee Chair or the responsible Program Committee Chair.

Each volume of the *NSSAR Handbook* is reviewed annually, typically after the Annual Congress, to ensure the content found in that volume reflects current SAR practices. The Executive Committee annually approves publication of the *NSSAR Handbook* at the Fall Leadership Meeting. Volumes may be updated several times throughout the year to reflect changes provided following the Fall and Spring Leadership meetings. The *NSSAR Handbook* and its periodic revisions are maintained in electronic format only, available at: http://www.sar.org/SAR_Handbook. Paper copies may be purchased from

SAR Merchandise, although such copies are not regularly updated. The electronic version of the *NSSAR Handbook*, as published on the above website, supersedes all prior electronic and paper versions. Each volume of the *NSSAR Handbook* identifies its effective date. Compatriots are encouraged to download the latest editions of the *NSSAR Handbook*. The last five years of the revision history for this volume, if available, is provided below.

The *NSSAR Handbook* reflects hundreds of hours of work and could not have been realized without the valuable assistance of the general officers, committees and Compatriots of the NSSAR. The Handbook Committee greatly appreciates the assistance provided.

MEDALS AND AWARDS

Authority

For the purposes of this Handbook, SAR medals and insignia include medals, badges, emblems, ribbons, rosettes, sashes, pins and stars. SAR awards include all certificates, plaques, cups and flag streamers.

The awarding of medals and awards should always be given very careful and serious deliberation to determine that the proposed recipient is qualified, deserving, and the occasion for presentation is appropriate. The presentation of medals and awards should not be treated lightly by the National Society, district, state society or a chapter, and should always be given judicious thought to assure that the presentation is in keeping with NSSAR principles. It is essential that the integrity of NSSAR medals and awards be maintained.

The recipient should be made aware that the medal or award is being presented by the approving authority on behalf of the National Society of the Sons of the American Revolution.

They also should realize that they have been honored by the National Society and should wear their medals with pride and in the correct manner. Medals and awards presentations are discussed further in this volume.

The National Society retains the authority present all of the awards and medals listed in this volume except for those medals or awards specifically reserved to a State Society or Chapter.

Submission of Nominations for Medals and Awards

Awarding Medals

The Executive Director, unless otherwise stated in the description for the award, must receive any nomination for an award of a medal for presentation at an Annual Congress, not later than 30 days prior to the date of the Annual Congress. The Executive Director will forward any nomination received to the respective Committee Chairman for committee consideration.

Awarding Certificates

Any nomination for a certificate and any supporting data to be used in making an award of a certificate for presentation at an Annual Congress, unless otherwise stated in the description for the certificate or award, must be received by the Executive Director, not later than 30 days prior to the date of the Annual Congress. The Executive Director will forward any nomination received or supporting data received to the respective Committee Chairman for committee consideration.

Ordering and Presenting Medals and Awards

1. All awards and medals are presented in the name of the National Society, SAR; the presentation should be made publicly with appropriate ceremony befitting the dignity and honor of the occasion.
2. Medals and awards should be presented in person to the recipient, except under such extenuating circumstances as illness of the recipient, in which case a representative may accept it. Certain medals require special arrangements at NSSAR level for posthumous or representational acceptance. These cases are outlined under the individual medal descriptions. A medal or award should not be mailed to a recipient.
3. No medal or award should be ordered or presented by a member without approval of his chapter or state society with the exception of the War Service Medal, Military Service Medal, SAR Charter Centennial Medal, gold palm leaves or oak leaf clusters.
4. It is recommended that each state society centralize the purchasing of medals and awards through its secretary or treasurer.
5. When a medal is presented more than once, it is at the discretion of the presenter whether the medal should be presented or just the oak leaf cluster. In either event, the certificate should accompany the presentation.
6. Miniature medals and oak leaf clusters may be purchased and presented with full size medals at the discretion of the presenter.
7. All medals and insignia are available from SAR Headquarters. Current prices are published on the SAR Merchandise section of the NSSAR website. Full payment is required at the time of ordering.
8. The cost of medals and awards, as well as the cost of engraving or engrossing, must be borne by the organization (national, state or chapter) making the presentation.

Care of Insignia and Medals

Members should be aware that the bylaws of a corporation form the rules of a corporation. Under the bylaws, members agree that the SAR Badge “will be worn or used in accordance with the regulations of the Society.” They further agree, on behalf of themselves, their heirs, executors, administrators, and any and all persons asserting any claims through them, to give the SAR a right of first purchase of their SAR Badge or other regalia. Members should therefore be aware that by becoming SAR members they have given the SAR legal authority to prevent improper transfers of SAR insignia.

Members are requested to guard against insignia being available in resale shops, antique shops, and so forth. Every effort should be made to redeem them to the Society.

Additional Awards of the Same Medal (Oak Leaf Clusters)

A member may be awarded several National Society medals more than once: Meritorious Service Medal, Roger Sherman Medal, Medal for Heroism, Bronze Good Citizenship Medal, Liberty Medal, C.A.R.-SAR Medals of Appreciation, Samuel Adams Congress Planning Medal, Service to Veterans Medal, and the Florence Kendall Award.

Each medal previously listed has its own criteria. Please refer to the specific medal in the Handbook for the number of oak leaf clusters and/or multiple awards permitted. Also, any multiple awards of state society medals should use the oak leaf cluster system.

The color of the oak leaf cluster and the number of clusters indicates the number of times the wearer has received the medal. A bronze oak leaf cluster is worn for each additional medal up to five. If more than five medals are presented, a silver oak leaf cluster should be worn in lieu of each five bronze oak leaf clusters, and a gold oak leaf cluster in lieu of two silver oak leaf clusters. Oak leaf clusters are available in one size only, and may be worn on either full size or miniature medals.

The oak leaf clusters are worn in the middle of the ribbon, horizontally, with the large part of the leaf slightly elevated and pointing to the wearer's left or "sinister" side.

Each additional medal must have been presented based on the same criteria as the first presentation; but each additional presentation must reward separate and distinct acts.

In the event that a member has received additional medals of the same kind, he should make use of the oak leaf cluster system. He should not wear two or more medals of the same kind at the same time.

Requests for New Insignia, Medals and Awards

All new medals, awards and insignia require approval of the Medals and Awards Committee and the Executive Committee. Requests must be submitted over the state society's president's signature or of the national committee chairman's signature and sent to the Executive Director. A form is available to submit proposals for new medals and awards. The same form should be used to propose changes to existing awards. This is available from the Executive Director.

A request for a new medal, award, certificate or insignia must indicate how the funding necessary to implement the request will be provided. There are no national funds available for funding new medals, awards, insignia, certificates, or a monetary award given with an award or certificate. The requestor will provide source of funding for any costs to maintain and issue an award, medal, certificate, or insignia. A design depicting the proposed award will accompany the request.

All requests must be sent at least thirty days prior to a Leadership Meeting. The Executive Director will forward the request to the appropriate committee chairman for the committee's consideration and approval. Requests should have a committee's approval prior to submission to the Medals and Awards committee for consideration. After approval of all concerned, it should be noted that implementation normally takes eight to twelve months. Correspondence other than that covered above should be sent directly to the Chairman, Medals and Awards Committee.

Funding for any currently authorized medal, award, certificate or insignia is subject to review by the Medals and Awards committee for possible deletion unless the requestor or its representative provides adequate funding.

Committees may make changes to the criteria for medals and awards within their purview. Changes must be submitted to (1) the Handbook Committee for review and editing and (2) the Executive Committee for approval of the substantive changes. The Executive Committee may refer any changes to the Medals & Awards Committee for review and comment or submit significant changes to the Trustees for decision. Upon approval, the revisions will be included in the Handbook.

State Society Medals & Requirements

State societies are authorized to issue their own medals for service within their societies and many have done so. To avoid confusion as well as inappropriate designs, the following guidelines are provided:

All SAR members, state societies and chapters are, as a matter of law, bound to observe the requirements relative to medals and awards laid down by the Charter and Bylaws of the National Society.

State society medals be:

1. Be suspended from a chest ribbon (never a neck ribbon);
2. Be conferred pursuant to written, precise criteria such as that prescribed for National Society medals, i.e., who may confer it, and for what services it may be conferred;
3. Use the system of oak leaf clusters prescribed for National Society Medals in those cases when a state society medal is presented more than once to the same individual;
4. Be produced in accordance with the NSSAR Medal and Insignia Specification Standard—

Large Medals:

| | |
|-----------------|--|
| Diameter: | 1 1/4 inches (32 millimeters) |
| (Ladies Medals) | 1 1/8 inches (28 millimeters) |
| Thickness: | 3/32 - 2/32 inches (4 millimeters) |
| Drape: | Length of material before fold: 3 7/8 inches (97 mm) |
| | Length of drape front (after fold): 1 3/8 inches (35 mm) |
| | Width of material: 1 7/16 inches (37 mm) |

Miniature Medals:

| | |
|------------|--|
| Diameter: | 11/16 inches (18 millimeters) |
| Thickness: | 1/16 inches (2 millimeters) |
| Drape: | Length of material before fold: 3 7/8 inches (97 mm) |
| | Length of drape front (after fold): 1 3/8 inches (35 mm) |
| | Width of material: 11/16 inches (17 mm) |

When worn with the National Society medals, state society medals should follow National Society medals in order of precedence. In the event that an individual enjoys the right to wear the medal for more than one state society, such medals should be worn in the order of the date of creation of the conferring state society.

To guard against infringement of rights and to ensure proper decorum, any proposed SAR state society medal and criteria for presentation ***must be approved by*** the National Society's Medals and Awards Committee before final adoption by the state society.

Wear of State Society Emblems, Badges & Pins

Former State Society President Pins and other state emblems and badges are not to be worn on the neck ribbon or chest ribbon in lieu of, or in addition to, the National Society's emblems, badges, stars, etc.

All state badges, emblems, pins, etc., must follow the above-described requirements pertaining to design, reason for presentation, etc.

PRECEDENCE

General Comments on Precedence

The position of honor is on the wearer's right and on the top. The general rule of precedence when SAR medals are worn with other medals follows, but an individual should refer to the relevant publication for specific precedence for his military branch, governmental department, or the specific requirements of the individual award. Miniature medals are not worn without their ribbons as the ribbon forms an integral part of the decoration.

1. **Federal Decorations:** Consult the most current relevant publication for medal precedence for proper sequence.
2. **Federal Campaign Medals:** Consult the most current relevant publication for medal precedence for proper sequence.
3. **Foreign Military and Civilian Decorations:** *For foreign campaign decorations*, consult the most current relevant publication for medal precedence for proper sequence. *For foreign civilian decorations*, consult the relevant publication or the specific requirements of the decoration, honor or award. If no relative order of precedence is available, foreign civilian decorations should be ordered from right to left by the date on which they were awarded.
4. **U.S. State Decorations, U.S. State Campaign Medals and U.S. State Organizational and Long Service Medals.**
5. **SAR Insignia and Insignia of Other Hereditary, Patriotic and Veterans Societies:** Insignia are worn in chronological order of precedence according to the year of establishment of such organization. Medals awarded for service to a particular organization (such as the medals described herein) should be placed immediately following the insignia of the respective organization in the order of precedence established by that organization (for SAR Medals, the order of precedence is specified in the following pages).

Former Presidents General may be awarded this medal, but the request must be processed as any other. Other SAR members may receive the medal if they meet the requirements established for all applicants.

Nominations for the award can be made by the National Society, a state society, or by a chapter (only if approved by its state society). All nominations should be submitted on the standard Gold Good Citizenship application form. The conferring authority should carefully read the form and follow the instructions relative to the type of supporting documentation needed. The application packet should be submitted to the Executive Director no later than twenty-one (21) calendar days prior to a scheduled meeting of the Medals and Awards Committee and Executive Committee (usually at the NSSAR Leadership Meetings and NSSAR Congress) to allow time for dissemination and review. If the application is not submitted by the deadline, it will be carried over until the next regularly scheduled meeting.

Payment for the medal should accompany the nomination, but this is not required. In the event that payment does not accompany the nomination, the medal will not be shipped until payment is received. Please consult the Executive Director for the current price of the Gold Good Citizenship Medal.

After review by the Medals and Awards Committee and the Executive Committee, the requesting society or chapter will be notified within two weeks as to the decision on the nomination. It may only be presented posthumously if the recipient died between the time the award was approved by the Medals and Awards Committee and Executive Committee and the date it was to have been presented. The National Society maintains a record of all past recipients of the Gold Good Citizenship Medal, which should be consulted in advance to avoid an invalid request.

Subsequent Presentation NOT Authorized: An individual may receive this medal only once. Oak leaf clusters or other ribbon attachments are not authorized.
